KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. Rylee at a crossroads great novella in the Rylee Adamson seriesVon MinaNote: this novella is book 8.5 in the Rylee Adamson

series, in which all installments contribute to the strong overall story arc. Meaning that none of the books can really be read and understood as a standalone and so if you're new to the series, I strongly recommend you stop reading here [spoilers for books 1-8 ahead] and start with Priceless. Review After having shed real tears at Liam's death in book 8 [yeah, I admit it], all it took to get me back to that miserable emotional state were the first few sentences of Stitched. Because the novella starts right after Rylee hopped on her dragon Blaz' back and flew to the safe place for her to give birth to her child and for Milly's baby son Zane. As you might remember, both babies are marked by the demon Orion, since he could use them as vessels. It was heart wrenching reading about Rylee's grief and even all was already said and done as far as Liam's death is concerned, I was again on the brink of tears [and I don't tear up easily, no matter what you might think now]. And I think that this is no small feat: to get the reader not only right back into the story, but also into the emotional state. And Ms. Mayer did both wonderfully. If you follow the series, you probably won't need to know the events of Stitched to start the next book, but I appreciate understanding the state of mind Rylee is in at the start of book 9 and what happened to her child, where she left it and why her party of companions is so changed, because there is some new [and hilarious] companion, an old acquaintance back at the team and some people stayed with Rylee's child at the safe place and won't be able to fight alongside her. So the novella does a great job of explaining all that and shows some peaceful moments for Rylee and her baby. Thinking of how bad her life usually gets and how there never seems to be some rest for her, this was good to read. And slight spoiler ahead - she now has an idea how to fight not only against demons in general, but how to possibly defeat Orion. So to sum it up: if you follow the series, you'll love to read the novella and I think it adds some really precious information for book nine, which I cannot wait to read.

Schreit nach mehr Von Christine Miller Ich habe bei den letzten Winter alle Bände der Rylee Adamson Reihe gelesen und bin einfach von jedem Band so begeistert, dass ich nicht aufhören kann zu lesen. Rylee ist ein Tracker, das heißt, sie kann Menschen und Wesen aufspüren, wenn sie genug über deren Eigenschaften weiß. Im Lauf der Bände lernt sie schrittweise mehr über ihre eigenen Fähigkeiten. Auch dass sie noch ein besonderes Talent zum Erlegen von Dämonen hat. Dass sie in allen Weissagungen sämtlicher Stimmen der Bernatlichen als diejenige vorkommt, die sich dem Dämon Orion entgegenstellt und damit die Welt retten kann, kommt hppchenweise heraus. In diesem Band zieht sie sich mit ihrem Onkel und dem Drachen Blaz in ein Kloster außerhalb des weltlichen Geschehens zurück, um ihr Kind auf die Welt zu bringen. Die Kernbotschaft dieses Bandes "Liebe ist die Antwort" gefällt mir. Leider ist der Band sehr kurz und meine beiden Lieblingsfiguren Alex, der unterwürfige Werwolf, und die junge Hexe kommen nicht vor. Ich kann es nicht erwarten, den nächsten Band in die Finger zu bekommen.

Storyboard und Umgang mit der englischen Sprache schreiben nach mehr! 0 von 0 Kunden fanden die folgende Rezension hilfreich. Ich liebe diese Serie, yes i do !!! Von Painty Shannon Mayer versteht es ihre Leser auf eine aufregende, phantasievolle und wirklich spannende Reise mitzunehmen. Ihre Bücher sind so unglaublich vollgepackt mit ganz verschiedenen Welten, Wesen, Reisen und aufregenden Abenteuern, dass für Langeweile überhaupt keine Zeit bleibt. Ich denke oft, wau, andere Autoren hätten aus einem Band dieser Reihe wahrscheinlich 2-3 Bücher gemacht. Die Novellen dieser Serie finde ich ebenfalls sehr gelungen, da sie neben einer Rahmenhandlung, die auf Ereignisse in den eigentlichen Büchern zurückgehen, immer etwas mehr auf einzelne Figuren und deren Hintergründe eingehen, sei es Alex, Liam oder wie in diesem Band Faris. Fazit: Eine sehr gelungene Novelle dieser Serie, die jedoch nicht für Quereinsteiger gedacht ist. Diese sollten wirklich bei Band 1 anfangen, um die komplette Geschichte genießen zu können. Ich bin ein großer Fan von Ilona Andrews und war, nachdem ich alle ihre Bücher durch hatte, auf der Suche nach einem neuen Autor und bin bei Shannon Mayer nicht enttäuscht worden.

Kurzbeschreibung I love Rylee and this struggle she has that goes back and forth is heart wrenching and exhilarating at the same time. Shannon has, once again, nailed this one to the awesome tree! I can't wait for the next installment! - Paging Through the Days From HiJinks Ink Publishing and Shannon Mayer comes "Stitched" a novella in The USA Today Bestselling RYLEE ADAMSON NOVELS. With over 1.5 million books sold, Shannon Mayer proves once again she can dominate her genre right out of the gate. "My name is Rylee, and I am a Tracker." "When children go missing, and the Humans have no leads, I'm the one they call. I am their last hope in bringing home the lost ones. I salvage what they cannot. When the dust settles, my heart feels as though it will never be pieced back together. But there are too many lives riding on my ability to function at my best. So I push through. And I find that I still have some fight left in me. Now I have one last task before I can rest: to find the simple ingredients of a spell. A spell that will help heal much of my wounds. But it is not only my injuries that I have to stitch closed. My sister's wounds have broken open . . . and perhaps most surprising of all so do another vampire's. Faris.
