besessener Stalker entführt die Frau seiner Trume um sie gefügig zu machen. So geschah es, dass Hailey, 22, im Urlaub beim Tauchen plötzlich verschwindet. Als sie wieder aufwacht ist sie in der Gewalt von Dominic. (ber den Namen mute ich wirklich lachen, warum mssen die Doms immer so heien? Es geht hier auch nicht um BDSM). Schnell merkt der Leser aber, dass er noch eine andere Motivation haben muss. Denn Dominic sieht nicht aus wie der typische Entführer, der keine Frau abbekommt. Er ist reich und man sollte meinen, die Damen liegen ihm zu Fen. Dominic ist kein Sadist, obwohl er Hailey gefangen hlt, behandelt er sie gut. So richtig schlau wird man aus seinem Verhalten lange nicht. Aber er braucht sie ganz dringend. Nur kommt es meistens anders, als man denkt ...Erzählt wird die Story abwechselnd von Hailey oder Dominic in der Ich-Form. Das macht es interessant und spannend. Auch als das Buch fertig war, blieben mir manche seiner Handlungsmotivationen etwas unklar, z.B. warum er sie bestraft oder erniedrigt hat. Das ergab in meinen Augen stellenweise keinen Sinn. Wahrscheinlich sollte das einfach die Spannung erhhen. Da seine Motive nur langsam freigelegt werden, blttert man Seite fr Seite weiter. So kurzweilig sollten eigentlich alle Bcher sein. Die Story endet ohne Cliffhnger, jedoch gibt es noch viel mehr ber das Paar zu erzhlen, wie auch der Serientitel besttigt. Fr dieses Debt der Autorin gibt es die Daumen hoch. Ich bin gespannt, wie es weitergeht und werde dieses Buch bis dahin auch nicht vergessen (wie so viele andere Bcher). 0 von 0 Kunden fanden die folgende Rezension hilfreich. Abducted Von GretaCee Smith writes with a lot of affection for her heros Hailey and Dominic. The story is about the development of the antiheros feelings from obsession to love and Haileys confused feelings from hate and being helpless to loving and forgiving. A lot of sex during this and a happy ending:-)

Kurzbeschreibung Hailey I did everything that was expected of me. I got good grades, went to a good college; I never even had a boyfriend, which for a normal girl of twenty-two was practically unheard of. My life was safe, predictable. That all changed when Dominic kidnapped me, robbing me of the cookie-cutter life I so carefully handcrafted. I was abducted and a new me was born. Dominic I spent so long uncovering secrets that it was becoming a bit of a specialty for me. After watching Hailey for twelve months I knew the secrets she held the repressed temptation that called to men like me. Stealing her was easy, making her fall in love with me, even easier. It was the feeling she sparked in me that I had no control over. A feeling I never expected. But the one thing that threatened to unravel us both was my secret, the reason I took her in the first place. *** Dominic and Hailey were two people from two different worlds, and some paths should never cross. Since first learning how to string a sentence together, shes been putting pen to paper and hasnt looked back. Though shes no longer obsessed with blood and gore, the dark side still calls to her, often finding refuge in her current writings. Her addiction to reading is what finally inspired her to take a chance at publishing. A California native, currently residing in North Carolina with her husband. She loves salacious stories, true love and forbidden romance the more angst the better. Other than reading and writing, some of her other obsessions are peanut butter (dont get her started), Michael Fassbender, and watching tv. She loves talking about the creative process and what books shes reading, so feel free to shoot her a line. Or if you just want to say hi thats fine too. She swears shell respond.
