Fortsetzung der paranormalen YA-Serie Von Merle Die Geschichte geht dort weiter, wo der erste Band aufgehört hat. Dieser Teil ist recht kurz, unterhaltsam und schnell gelesen. Cayne wird in eine dster Gefngniszelle geworfen und Julia wird gentigt mitzukommen. Sie wird ins Hauptquartier der sogenannten Erwhlten mitgenommen, wo ihre Fhigkeiten getestet werden sollen. Diese Chosen sind Abkmmlinge des nicht-menschlichen Methusalem, Zweck ihrer Existenz soll die Jagd auf die Nephilim sein. Julia erfhrt, dass ihr Cayne ein gewissenloser Mrder ist und hat Mhe, mit dieser Wahrheit umzugehen. Ein grosser Teil der Geschichte handelt vom Hauptquartier, wie es aussieht, wie es funktioniert. Sehr viel mehr Hintergrundwissen erhalten wir und auch Julia nicht, sie und ihre neuen Freunde werden im Ungewissen gelassen. So dass wir das nchste Buch runterladen mssen, um mehr Infos zu bekommen. Etwas kurz, aber gut.

Kurzbeschreibung BOOK TWO IN ELLA JAMES' AWARD-WINNING STAINED SERIES... With Cayne's fate in the hands of his enemies and Julia spirited away to the covert Stained compound, the two are separated by impenetrable walls and a gulf of unanswered questions. Soon Julia learns the truth about the Stained and the plans they have for her, the compound is attacked, and a new group is running from an unwanted destiny, searching the globe in pursuit of the knowledge that just might save them all. WHY FANS LOVED STAINED:* "Nephilim have been written about before but this book puts a new spin on the legends and really is original. There is a lot of action so it doesn't get boring, but the most important thing to me was the interaction between the characters. They had such a spark." -Keely * "I love the story line, the characters, the writing. The excitement started from chapter one and didn't end until the last page..." -Can't Put It Down s* "The first night I started reading Stained, I was so engrossed in the story that I fell asleep dreaming I was chasing Demons on the streets of Memphis. It is the very rare book that makes it into my dreams. The bantering between Julia and Cayne was endearing, hilarious and at times frustrating, but it was consistently entertaining. Like any relationship, you'll want to slap Cayne just as much as you'll want to kiss him. It only added to the enjoyment of their adventure and growing relationship. I was on the edge of my seat through most of the book, right up until the end. the last page will have you drooling for more." -What's Beyond Forks s Stained Book Three, Chosen, available now!
