schlecht Von Anne Mohr habe schon bessere Linwood Barclay Bücher gelesen. Es nicht immer glaubwürdig bzw. nicht zu glauben, dass ein einzelner Mensch so "tollpatschig" sein kann und immer an ihm das "Unglück kleben bleibt".

Kurzbeschreibung Metropolitan newspaper writer Zack Walker has a knack for stumbling onto deadly stories. But its one that his good friend Trixie Snelling doesnt want told thats about to unleash a storm of trouble. As a professional dominatrix in the suburbs, Trixie has her share of secrets, but Zack has no idea what shes really hiding when a local newspaperman threatens to do an expos on her until Zack finds a dead body strapped to the bondage cross in her basement dungeon. Now Zack is implicated in a murder, Trixie is missing, and everything he thought he knew about his friend, his town, even his own marriage, reveals a darker side. Zacks twisted trail to the truth will lead to a long-unsolved triple homicide, bikers, drug wars, and a stone-cold killer hell-bent on revenge. Its a story thats already cost him his job and possibly his wife, and, if Zacks not very lucky, it will cost him his life. From the Paperback edition. From Publishers Weekly No good deed goes unpunished in the fourth Zack Walker mystery thriller from Barclay, which finds the newspaper reporter, family man and very reluctant hero just settling back into a semblance of middle-class normalcy after his last adventure (2006's Lone Wolf). That all changes when Zack tries to help good friend, former neighbor and professional dominatrix Trixie Snelling dissuade local tabloid reporter Martin Benson from running a story on her and her business. Not long after Zack tries, unsuccessfully, to persuade Martin to pull the story, Martin turns up dead, tied to a rack with his throat slit, in Trixie's bondage basement and Trixie, the prime suspect, has disappeared. Zack sets off in search of answers, following a path deep into Trixie's troubled, violent past that could cost him his job, his family and his life. Barclay has a fine ear for dialogue, especially in scenes with Zack and his family, and his expert blend of humor and suspense make this a well-constructed, often witty mystery that's sure to please.
