Von Magda Alexander : Storm Damages (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Storm Damages (English Edition):

KurzbeschreibungFull Length Novel with a 4.5 ratingI DIDN'T PLAN TO FALL IN LUST that scorching hot summer

day. And yet, that's exactly what I did. Having reached the ripe age of twenty-two, I thought I knew everything about men. In truth, I knew next to nothing, at least when it came to him. Beautiful, brilliant, damaged Gabriel Storm. The drug I can't live without. I risk everything I've worked for to be with him--my job, my career, my future. But I can't walk away. Because all I care about is his kiss, his touch, and the way he makes me feel when I'm in his arms.Excerpt:"Meet me for drinks at my hotel. I'm staying at The Four Seasons. Around seven?" Storm asks.I try to say something. But stunned by the turn of events, I can't.With those long fingers of his, he palms a card from his jacket. "My mobile number. Call me when you leave the office so I know when to expect you." He strokes the card against my cheek.His touch sets off something within, a trembling I can't control.As he slips the card into my hand, his eyes turn the color of a savage storm. "You're very responsive, Elizabeth. I like that." And with that he strolls away, all liquid movement and languid grace.What the hell just happened? I didn't say yes. You didn't say no either. Elizabeth. His panty-melting voice whispers inside my head.WARNING: This is a hot, steamy read with explicit language and sex scenes. For mature audiences.THE STORM DAMAGES SERIES:Book 1: STORM DAMAGESBook 2: STORM RAVAGEDBook 3: STORM REDEMPTIONBook 4: STORM CONQUERED
