Good SeriesVon RobertIt's an easy to read book with a entertaining Story which developes as we go along with the hero.The hero is a bit naive at times and you want too punch him in the face because he obviously is going to mess something

up. But you get to like him and the other Characters and they all undertake a development throughout the Series. If you like to just relax with a good book I recommend the series. I think it is aimed at a younger audience but if you like Magic and a Youth to Adult journey, this book could be for you. I strongly recommend that you start with Inexperienced Mage and read it in order, if you don't you might still enjoy the book but won't get the overall picture also there are some Events which will make no sense if you don't know the previous books from the Series. Overall I give four Stars. I will Post this review under every book. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Bin mal gespannt ob die Saga ohne Drachen auskommt. Bestimmt nicht :D

Kurzbeschreibung Death, destruction, and complete insanity are what Thad finds on his trip home. Growing up he was trained to be servile and obedient to those around him but when the Brotherhood pushes things to far something in his mind brakes. No longer caring for letting bygones be bygones Thad raises a small army on the elven isle and marches into the heart of his enemies his mind set on revenge. Wielding deadly magic he cuts a path through anyone or anything standing in his path. Finding himself backed into a corner and greatly outnumbered Thad pushes recklessness to a new level as he fights to survive.
