Von Rachel Abbott : Stranger Child (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Stranger Child (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 6 von 6 Kunden fanden die folgende Rezension hilfreich. Endlich! Von bchertante Ich habe schon Unmengen an Thrillern verschlungen. Gerade die bekannteren davon zeichnen sich hufig durch die Anhufung mglichst abstoender Gewaltschilderungen aus. Eine Grausamkeit jagt die nchste.

Rachel Abbotts Bücher (in sich abgeschlossen aber verbunden durch die Figur des Polizisten Tom Douglas) sind hier eine extrem angenehme Ausnahme. Spannend bis zum Nüchternen, überraschend im Verlauf, vielschichtig in der Handlungsanlage, kommen sie doch mit einem Minimum an grafisch beschriebener Brutalität aus. Es macht richtig Freude sie zu lesen. Ich denke, dass vor allem Frauen (um Klischees zu bedienen) die, sich über 3 Bände hinweg entwickelnde, Liebesgeschichte zwischen Tom und Leo und die detaillierte Beschreibung des Gefühlslebens der meisten Protagonisten genießen werden. Einziges Minus der Bücher: Die Arbeit bleibt liegen! 1 von 1 Kunden fanden die folgende Rezension hilfreich. Sehr spannend Von Heidemarie Puntschuh Exzellenter Krimi. Sechs Jahre zuvor stirbt eine Frau bei Unfall. Ihre im Auto mitfahrende sechsjährige Tochter ist wie vom Erdboden verschwunden. Der Witwer/Vater ist zerstört und kommt darüber kaum hinweg. Mit seiner zweiten Frau hat er einen Babysohn. Wie die Autorin die Gefühle der jungen Mutter zu ihrem Ollie beschreibt ist wirklich beeindruckend. Man riecht förmlich die Babyhaut, man hört in quietschen und lachen. Wunderbar geschrieben. Dann nimmt das Schicksal seinen Lauf und der Roman wird immer spannender. Gegen Schluss zu wird die Story allerdings reichlich "dickflüssig", was der Spannung jedoch keinen Abbruch tut. Die zuständigen Polizisten sind ausgesprochen sympathisch und wurden bei mir mittlerweile zu "Freunden". Sehr empfehlenswert. Bleibe an der Autorin dran. 1 von 1 Kunden fanden die folgende Rezension hilfreich. The twist was not all that surprising Von Christiane The first part of this thriller is very suspenseful but after that one more or less suspects how it is all going to turn out in the end. Still, it is well written apart from one thing: I wish the author would look up some synonyms for the verb "to grab". All that "grabbing" really bothered me.

Kurzbeschreibung From the author of number one bestseller, Sleep Tight. One Dark Secret. One act of revenge. When Emma Joseph met her husband David, he was a man shattered by grief. His first wife had been killed outright when her car veered off the road. Just as tragically, their six-year-old daughter mysteriously vanished from the scene of the accident. Now, six years later, Emma believes the painful years are behind them. She and David have built a new life together and have a beautiful baby son, Ollie. Then a stranger walks into their lives, and their world tilts on its axis. Emma's life no longer feels secure. Does she know what really happened all those years ago? And why does she feel so frightened for herself and for her baby? When a desperate Emma reaches out to her old friend DCI Tom Douglas for help, she puts all their lives in jeopardy. Before long, a web of deceit is revealed that shocks both Emma and Tom to the core. They say you should never trust a stranger. Maybe they're right.
