Von Lisa Kleypas : Stranger in My Arms before purchasing it in order to gage whether or not it would be worth my time, and all praised Stranger in My Arms:

KundenrezensionenHilfreichste Kundenrezensionen3 von 3 Kunden fanden die folgende Rezension hilfreich. PASS ON THIS BOOKVon Ein KundeI cannot understand the good reviews for this book. It just plain stinks. She is totally

unfeeling and should not have been portrayed as a heroine. He is just dumb to continue his pursuit of her. I guess I would just rather rent the movie *Sommersby* than to have to sit through this book again. I could not feel any sort of emotion throughout the book for two characters who are so unsuited for each other in such an overused plot. I guess I may have also been expecting too much.

2 von 2 Kunden fanden die folgende Rezension hilfreich. KLEYPAS IS BRILLIANT! Von a.charles I could not believe some of the bad reviews I have been reading! "STRANGER IN MY ARMS" is the beautiful story of a woman who learns to trust a man through his love. I have not yet read a Lisa Kleypas book that deserves a bad review. The characters of Lara and Hunter are wonderful! Hunter adores Lara, and is willing to give her as much time and space as she needs, to release her fears. If you like your men gentle but masculine, tender but passionate, then this is for you. Other Kleypas books that I can recommend... "THEN CAME YOU", "DREAMING OF YOU", "SOMEWHERE I'LL FIND YOU" AND "BECAUSE YOU'RE MINE", in that order! Don't worry about the bad reviews. They aren't worth the space that they're printed on!

Von Ein Kunde Hunter never expected to be treated as a pariah by his own family when he allegedly returned from the dead. Over a year ago, Hunter, Lord Hawksworth was supposed to have died off of the coast of India in a vicious shipwreck. Now, a man has returned to England claiming to be Hunter. Lara, Hunter's spouse, is unhappy to lose her freedom and loathed to return to an iceberg of a marriage. She enjoys her idyllic life in the countryside, helping orphans. The present Lord Hawksworth, Hunter's Uncle Arthur and his wife Janet do not want to give up the wealth and social position they have gained with Hunter's death. When the man claiming to be Hunter finally meets Lara, he informs her that he plans to make her his wife again. He also knows secrets that only Hunter would know and has birthmarks in the right places. However, the Hunter Lara despises is not this warm passionate man. Still, even as she falls in love with him, she wonders if he is a con man pulling off an elaborate hoax?

Regency England is never in better hands than when Lisa Kleypas takes the reader there. In her latest novel, a brilliant retelling of *THE RETURN OF MARTIN GUERRE*, readers and the novel's other characters will struggle with the question of who Hunter truly is. The story line is well written and the lead protagonists come across as well as (if not better than) the original tale, play, or even the *Gepardieu* movie. Even though her romances are memorable and totally unique, what makes Ms. Kleypas one of the best historical romance authors in the genre today is her ability to bring to life the era that she is describing. The proof is in the books, *STRANGER IN MY ARMS*, *BECAUSE YOU'RE MINE*, or *THEN CAME YOU*. Harriet Klausner

Kurzbeschreibung One of today's leading lights in romantic fiction. *Seattle Times*, *USA Today* and *New York Times* bestselling author Lisa Kleypas is one of America's most acclaimed and popular authors of historical romance fiction and *Stranger in My Arms* is one of her most beloved novels! A classic tale of a noble lady whose life is upended when her despised husband believed lost at sea returns, a remarkably altered, more passionate and loving man if he is, indeed, who he claims to be. A two-time RITA Award-winner and a nine-time nominee Lisa Kleypas is at her sensuous best with *Stranger in My Arms*.

de One year after Lara thought her husband was dead in a shipwreck, he returns home to her. But is he really her husband or an impostor? Although the evidence is inconclusive, this new Hunter Hawksworth is very different, and much improved, from the first. Not given to introspection, Lara is willing to put her doubts aside for this man who embodies all her dreams, and desires her with a ruthless and seductive persistence that overcomes her considerable sexual fears. Inspired by the French movie *The Return of Martin Guerre* and the original court case on which it's based, this late-Regency historical romance, notable for its compelling sexual tension, spare but evocative dialogue, and deftly drawn characters, asks the intriguing question "Can you ever really know the man you love?" One of the superlative romances of the season. --Ellen Edwards.com
