Splashing through garden fountains on a moonlit summer nightVon Linda Lohse-LangeWith 357 pages, this read can take only one lazy summer day to devour...because you can't put it down! Who is behind what plot? What is real and what is fake? Museums, art, architecture, and antique jewelry all fit into the plot. Twists turn as surprising and numerous as the ancient Roman streets. The Vicky Bliss series has cool, cocky 1960's dialogue and writing in marked contrast to the classical verbosity of the Amelia Peabody series, but retain Peter's delightfully tantalizing "references-only" to sex. After several rousing escapades through elaborate fountain-and-waterworks embellished gardens, the satisfying ending leaves Vicky with a new travelling companion. Light, but not too light.0 von 0 Kunden fanden die folgende Rezension hilfreich. Second Vicky BlissVon Daniela KramlVicky has wangled a job out of Schmidt, but now she is bored and it is raining in Munich, so when Schmidt offers her an excuse to go to Rome she jumps on it. In Italy she will meet a lot of interesting people, notably 'Sir John Smythe', who will become foe and friend alike.Read about her mad adventures and enjoy a very funny and witty book.0 von 0 Kunden fanden die folgende Rezension hilfreich. supergutVon mady.oleinteressant und mit tiefstem schwarzen Humor. Ich habe viel gelacht beim lesen. Habe es meinen Freunden weiterempfohlen und tue es hier auch.

KurzbeschreibungVicky Bliss, a brain with a body like a centerfold, often has a tough time getting people to take her seriously. But when it comes to medieval history, this blonde beauty knows her stuff -- and she's a master at solving mysteries that would turn the art world upside down.Vicky gasped at the sight of the exquisite gold pendant her boss at Munich's National Museum held in his hand. The Charlemagne talisman replica, along with a note in hieroglyphs, was found sewn into the suit pocket of an unidentified man found dead in an alley. Vicky vows to find the master craftsman who created it. It's a daring chase that takes her all the way to Rome and through the dusty antique centers and moonlit streets of the most romantic city in the world. But soon she's trapped in a treacherous game of intrigue that could cost her life -- or her heart...Vicky Bliss, a brain with a body like a centerfold, often has a tough time getting people to take her seriously. It's a daring chase that takes her all the way to Rome and through the dusty antique centers and moonlit streets of the most romantic city in the world. But soon she's trapped in a treacherous game of intrigue that could cost her life -- or her heart...PressestimmenA writer so popular that the public library has to keep her books under lock and key. (Washington Post Book World)WerbetextThe note with the hieroglyphs was found in the pocket of a man lying dead in an alley. The only other item of interest on him was a piece of jewellery, a reproduction of the Charlemagne talisman, but so well done that Vicky Bliss thought she was being shown the real thing. Vicky didn't know what it meant yet.
