A must read.Von Katzenjammer123Kate Angell, one of my favourite authors, is getting better and better. Her last book "Strike Zone" of the boys of summer series is just perfect. Although it's part of a series you can read it without knowing "Squeeze Play" and "Curveball" but I recommend you to

read these books because they are so good. Back to "Strike Zone", it's about Taylor Hannah and Brek Stryker. Three years ago Taylor left Brek at the day of their wedding (literally in front of the altar), but never stopped loving him. Then she felt pressured to marry him only months after her parents died and needed some time alone to deal with it. So the last three years she worked as an adventure guide and had no contact with Brek but is still shocked to read that he is planning to marry again. Feeling that she has to finally solve the situation with Brek she comes back to Richmond. Brek is absolutely not interested in hearing anything Taylor has to say, but when Taylor is forced to stay longer than planned because of a knee injury he can't avoid her and his feelings any longer. When Brek is severely hurt too while playing ball and Taylor is there for him they both have to handle their feelings and finally the past. Kate Angell gives us another love story involving Eve, Taylor's sister, and Sloan, a pitcher on Brek's team. Taylor doesn't trust the arrogant Sloan and thinks he only wants to play with her and Sloan realizes that Eve is perfect for him and that he has to stop being a player to have a chance with her. Both love stories are great and I only wished the book had way more pages because I enjoyed it so much. IMO this is a must read, so if you are a romance fan buy yourself a copy immediately, enjoy reading it and then start waiting for Angell's next book of the series hopefully with more of Kason (a new dark, bad boy on the team). Enjoy S.M.O von 2 Kunden fanden die folgende Rezension hilfreich. Die Richmond Rogues sind zurück.... Von Little Tree... und diesmal steht ihr Pitcher Brek Stryker im Mittelpunkt. Kurz vor dessen Hochzeit erfährt seine Ex-Velobte davon und kehrt ins Stadion zurück. Im Kostüm des Team-Maskottchens. Brek ist davon wenig begeistert, hat ihn Taylor doch vor 3 Jahren vom Altar stehen lassen. Was dann folgt ist ein guter Plot, der uns ein paar kleine Einblicke in das Leben der anderen Rogues bietet, denen wir in den Vorgänger-Bänden schon begegnet sind, Taylor's Schwester Eve die Chance bietet den neuen Reliever Sloan näher kennen zu lernen und wie immer vor Witz spricht. Angell hat sich dieses Mal nur auf 2 Personen konzentriert, weshalb die Geschichte flüssiger erscheint und besser ausbalanciert ist, als in "Curveball". Außerdem gibt es schon kleine Hinweise darauf wer die nächste Hauptfigur in "Sliding Home" wird, das im Herbst 2009 erscheint. Kate Angell bleibt sich treu, bietet tolle Ideen, viel Humor und einen guten Schuß Romantik, was auch dieses Buch wieder sehr lesenswert macht. Zu empfehlen!!!

Kurzbeschreibung Faced with the love of her life waiting at the altar, thrill-seeking adventure guide Taylor Hannah lost her nerve and ran. Three years later, the gutsy blonde is back in Richmond to reclaim handsome Rogues pitcher Brek Stryker before he makes another trip down the aisle. From dressing as a giant baseball to pummeling the other team's mouthy mascot, this former fiancée is pulling out all the stops. Trouble is, her ball player refuses to believe she's finally ready to play by his rules. Stryker hasn't forgiven the woman who left him on their wedding day, but he can't ignore the chemistry that sizzles every time he and Taylor meet. The fireworks between them could light up the ball park, but Stryker won't lose his heart again unless he knows the score. If Taylor steps into his strike zone, she'd better be ready to go past third base and all the way home.
