Von Mandy Baggot : Strings Attached: An intense contemporary romance with a breathtaking twist! (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Strings Attached: An intense contemporary romance with a breathtaking twist! (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Just not enoughVon KleeWorld-famous rock star falls for an ordinary girl. Normally a promise for some emotion-fuelled dialogues, heartbreaks, glamour and lots of swearing. Well, none of that happened.The writing is very stilted and stiff. What's the point in writing something like "f**k"? Either be brave enough to use that word or don't. There are other words to use instead.I'm fine with the idea of love at first sight, but I didn't see the developments of their feelings. Apparently, they had sex and they talked, but you don't get to read that. It's always suddenly the next day and you don't know what they talked about.Infidelity is something that's featured in many books, but the way it is made to be nothing major in this book really got me angry.And this huge secret of Quinn is just a joke. It's hard to describe as I don't want spoil it. There is no indication of the secret throughout the book, so you can't guess along and towards the end he just reveals it and everything suddenly seems to be OK. And you wouldn't have guessed it anyway, because it is so far-fetched, I almost laughed out loud, because it is so ridiculous. There were so many questions left at the end, and the writer didn't even try to explain them, just went along the lines "I guess, I'll never find out".This book feels like some first-time attempt at writing of some teenager, and not an actual published book.0 von 0 Kunden fanden die folgende Rezension hilfreich. Vorhersehbar. Hchst leichte Kost.Von KuferPuh also sptestens ab der Hlfte des Buches ist klar, dass hier armes Mdchen arbeitet erfolgreich im Beruf und kriegt den superreichen Mann, der dann auch noch der verschollene Vater Ihres Sohnes ist. Hmm naja. Chick lit light2 von 2 Kunden fanden die folgende Rezension hilfreich. Eine fabelhafte lesen!Von LougrahamiiStrings Attached is th 4th Novel written by Mandy Baggot following on from Excess all Areas, Breaking the Ice and Knowing me, Knowing you.George Fraser is determined to show everyone that she can make a success of her Catering Business, Finger Foods, after all she is not very successful in love! Just one request to Cater for an after show party for rock star, Quinn Blake changes everything.Huge instant attraction between George and Quinn but they have to keep it a secret. Is Quinn everything he says he is? When they both attend the Wedding of the millennium things truly hot up. But are all George's secrets going to come out or can she maintain her composure and professionalism?Will her past hold her back? Are there too many obstacles and are people trying to stop anything developing between George and Quinn? Do people actually even know?There is a gorgeous relationship/friendships between George and everyone that works with her including a lovely protective bond with her brother. George has a lot of issues that you learn to understand as the book develops and she really is a character that you can love. Her relationship with Quinn is wonderful and he is extremely dreamy! A wonderful flow to the story and extremely well written. This is a book you won't want to put down!I have read a few of Mandy's previous books and I have to say that I am a big fan of hers, however, I truly believe Mandy has written her best novel so far with Strings Attached. This book has it all, humour, glitz and glamour and an ending you just don't see coming! As Jane Holland formerly of Embrace Books said 'a plot twist straight out of Dallas!' This really is a fantastic book and I am certain that everyone that reads it will not be disappointed.Well done Mandy - a certain best seller!!

KurzbeschreibungFans of Paige Toon will love Strings Attached 'Mandy Baggot has created an impeccable love story' 'The chemistry between George and Quinn from the very first meeting is intense and the intensity continues right to the last page'"I enjoyed George and Quinn's relationship - the tenderness and the passion, the uncertainty and the secrets. This is a chick lit story that has stayed with me since I've read it' 'An exciting and romantic story with an emotional edge' 'A plot twist straight out of Dallas' Strings Attached - One pull could change your life Caterer George Fraser has a mission. She's going to prove everyone wrong. Ambitious owner of catering firm Finger Food and black sheep of her family, she's determined to succeed in business where she's so far failed in her personal life. Asked to cater for gorgeous rock star Quinn Blake's after-show party her life suddenly takes a turn for the dramatic. Magnetically drawn together, George and Quinn embark on a relationship that no one must know about. But is Quinn everything he seems or is there more to his star life than he's telling her? Things hot up when George is invited to the wedding of the millennium and her integrity very soon becomes compromised. With celebrity obsessed colleague Marisa in the mix and her beloved Adam spending more time in her life can George keep her secrets and hold on to her ambition, or will love finally get in the way? 'More strings than a Baby Grand' 'If you love a funny,romantic story full of suspense and uncertainties you will love this book!' 'The story is clever, the characters are wonderful, believable, easy to relate to'
