Imperfect MCs...that was nice.Von SunneSo...I have to say this book tickles several of my personal pet-peeves...yes, it does.First "the man", "the younger man", "the lawyer"...damn, I really don't like when authors try too hard to find other words than the names and "he". It's okay sometimes, but sometimes it's just too much, especially in intimate situations it throws me off, it creates a distance that is wrong at that moment.The other is the use of German...Please dear author, let a native speaker look at it. It's not really bad, I've seen worse but there are a few mistakes.So, now that

this is out of the way I have to say, I really liked the book. Both MCs are so perfect in their imperfection. Matthew is still mourning and damn, he can be a bitch when he thinks Shane oversteps some boundaries he has drawn to supposedly protect himself from caring too much. And he is stubborn. And sometimes really unfair and impulsive. So perfectly imperfect. Shane on the other hand is noisy, doesn't respect boundaries, which makes him the perfect match for Matthew because he isn't discouraged by Matthew's sometimes prickly attitude. But he is also impulsive and acts before thinking of the consequences. They are a perfect match with some really hot sex as a bonus. The story itself is good and a good mix between influences from outside affecting a growing relationship and other action. I recommend reading the book...yes, because despite it had some of my personal pet-peeves, which really aren't some for others, it was really good. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Eine durchgelesene Nacht und ein paar Tränen später Von charlottenstein Inhalt: ***** bin ich immer noch ganz verzaubert von der Geschichte zwischen Shane und Matthew. Beide haben eine bittere Vergangenheit, die es ihnen schwer macht, sich völlig aufeinander einzulassen. Während Shane voller Zuversicht, Hoffnung und einer gewissen Beharrlichkeit in die Beziehung mit Matthew geht, muss Matt sich erst an den Gedanken gewöhnen, noch einmal tiefe Gefühle und die damit verbundenen Zweifel und Kämpfe zuzulassen. Die Story ist flüssig geschrieben, die Charaktere stimmig, die Handlung absolut nachvollziehbar. Zum Schluss musste ich tatsächlich ein paar Tränen verdrücken und hatte nach der letzten Seite doch ein glückliches Grinsen im Gesicht! Erotik: ***Ja, es gibt in dem Buch einige Sexszenen und ja, sie sind wirklich heiß. Allerdings heiß in Form von zwei Männern, die die Finger einfach nicht voneinander lassen können. Das Außergewöhnlichste beim Liebesspiel der beiden dürfte der Einsatz von Handschellen sein, was aber der Erotik keinen Abbruch tut. ;) Suchtfaktor: ***Stripped Bare ist das zweite Buch, das ich von Susan Mac Nicol gelesen habe. Während mich Waiting for Rain nicht wirklich überzeugen konnte, werde ich dieses Buch bestimmt noch weiter lesen. Außerdem gibt es einige sehr interessante Nebencharaktere, über die ich gerne mehr erfahren würde. Vielleicht könnte aus dem Buch ja eine eigene Serie entstehen *hoffnungsvoll* Fazit: *****4 Sterne für 290 Seiten voller Emotionen, die mich völlig in ihren Bann gezogen haben und verantwortlich sind für eine Nacht ohne Schlaf, aber mit einer Menge Lesespaß.

Kurzbeschreibung Now that Shane Templar has stripped the armour from Matt Langer's heart, will either of them ever be safe again? Though two years past, Matthew Langer is still getting over the death of a loved one. He's steered clear of serious relationships, but when he meets the irascible, dirty mouthed and tempestuous Shane Templar that decision has never been harder. Shane is sexy, warm and funny, and Matthew finds himself trying like hell not to fall for him. Especially when Shane, with his quick wit and hacking skills, is quick to stand up for justice and avenge wrongs. Then Shane strikes at the wrong target, and Matthew realises just how far he's already fallen. At the threat of losing for good yet another man who has broken through his armour, Matthew finds his heart stripped bare. He must face the demons of his soul or a future without love. At the age of eight, her family moved to Johannesburg, South Africa where she stayed for nearly thirty years before arriving back in the UK in December 2000. She has written nine novels, two novellas and a screenplay since February 2012 and clearly believes in keeping herself busy. She has found herself wanting to stay in the genre that is M/M Romance so more can definitely be expected. Sue is a member of Romance Writers of America and Romantic Novelists Association in the UK. She is also a member of a rather unique writing group, called the Talliston Writers Circle, which in itself has a story all of its own to tell and lives in the rural village of Bocking, in Essex, with her family. Her plan is to keep writing as long as her muse sits upon her shoulder. Her dream is to one day make enough money to give up the day job and get that big old house in the English countryside overlooking a river, where she can write all day and continue to indulge her passion for telling stories.
