She is only complaining about the rain and how that ruined her shoes. They are over heard by Kitty who decides to help them, because their marriage is falling apart. They both think back of the first night in their new house and how they

both enjoyed it that she let him do everything to her and use her as his slut. But the next day she was embarrassed and from that moment they grew apart. The first chapters are different as the other chapters in the book, when Kitty is found and taken home against Annabelle her will. At their home Kitty changes into something which makes Evan stronger and makes Annabelle not know how to handle things. She steps into the game which makes her a submissive to both Evan and Kitty when she loses it. What they do to her is very very hot. It is a turn on to read how Annabelle isn't sure she wants it, but it makes her so turned on and wet, there is no denial. When she embraces it she loves it so much. Evan gets ideas on how to handle his wife told by Kitty and the magic bag she has with her. With the help from fairy godmother Kitty her husband Evan is treating her as his submissive and she actually wants to be his sub, that is what Annabelle discovers thanks to Kitty. And as a reader you can enjoy the hot and erotic way in which Kitty learns Evan how to deal with his wife. 0 von 0 Kunden fanden die folgende Rezension hilfreich. "Stroker Ace" and its psychological element Von F. Schon What differentiates "Stroker Ace" from run-of-the-mill erotica is its psychological element - and that is what I loved about this novella. Annabelle and Evan are a married couple that have found their relationship stagnating until a chance encounter with a mysterious woman flips everything upside down! Lilah E. Noir's writing of Annabelle and Evan's former lustful encounters, mirrored against their current sorry state of affairs will probably (sadly) ring true for many readers. The appearance of the mystery woman and what happens next is certainly a new take on couples therapy! "Stroker Ace" is an enjoyable read that will have you wishing for some 'Kitty' in your life!

Kurzbeschreibung So... we have general bitchiness, bad personality, and self-denial. You're in for some punishment tonight, sweetheart. We will start with good old spanking. Climb on my lap so I can show him how you long to be disciplined. Twenty smacks. Annabelle is a lady, intelligent, classy and sexually repressed. After a night of drunken oblivion, she submits both to her dominant husband Evan and her own filthy, hidden desires. Little had Evan suspected what a wild and dirty yet obedient pet his wife could be. A year later their once perfect marriage is on the verge of falling apart. He must deal with her angry accusations and hostile attitude. She has a hard time admitting her submissive nature and frequently lashes out at him out of guilt and shame. Enters Kitty, a mysterious, charismatic woman armed with a deck of cards, steely dominance and a bag of sex toys. What happens when Evan and Annabelle are faced with her dark game of seduction? Will Evan hold back his urges? Will Annabelle still be her proud and arrogant self when she gets subjected to stern discipline and humiliating play under Kitty's thumb? Will their marriage be completely destroyed or reinforced by another night of indulging their kinky side? PLEASE NOTE: This story is intended for a mature audience. It contains elements of BDSM as well as scenes of ménage trois and discipline. Please, read the warning inside the book before you purchase it. All characters are over 18 years old.
