**Von Dahlia West : Stronger (Stark Ink Book 4) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Stronger (Stark Ink Book 4) (English Edition):

Kurzbeschreibung\*Erotic romance: Scenes of graphic violence, sex, and language\*The darkest skies...Jonah endured a horrific childhood before being adopted by the Starks. The damage had been done, though, both absolute and enduring. For twenty years he's held everyone at arm's length, everyone, that is, except Sienna. The sad little girl with scabby knees crept into his heart from the second their hands touched. Jonah has never really been able to let go, but he couldn't hold on, either. He just wasn't strong enough.Hold the brightest stars.Sienna's eighteen now, and Jonah's lurked in the shadows for far too long. He's watched over her, protected her, and now he's going to claim her. It was a long, hard road out of hell, but Jonah's finally become the man Sienna deserves. He's ready now and he'll never let her go because this time he's...Stronger.
