Von Julia Gousseva : Struggling to Survive: A story of love, crime, and deception in the new Russia: Russian Historical Fiction (Anya Book 2) (English Edition)

before purchasing it in order to gauge whether or not it would be worth my time, and all praised *Struggling to Survive: A story of love, crime, and deception in the new Russia: Russian Historical Fiction (Anya Book 2) (English Edition)*:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Superb throughout!Von Peter Martin*Struggling to Survive: A story of love, crime,...*Julia GoussevaIn this fascinating read Gousseva manages to create a superb book that takes the reader into an entirely new aspect of the the love and crime genre.The genius of incorporating Russia into writing and crafting excellence is done magnificently in this well-written story. Delving into social, political and social-economic societies lead the reader into realms of yearning and sympathy of the characters.A tale of true determination and an exhilarating read.Superb throughout!0 von 0 Kunden fanden die folgende Rezension hilfreich. Gripping!Von ZSWhat a wonderful look into Russia of post-Soviet times. The struggle to survive in the breaking up country comes alive in this novel, with Anya and her struggle to accept her husband's death, her determination to resume living after such a terrible loss, her longing for the semi-legendary Victor, the one-time opportunities life is ready to offer her. Will she be ready, or brave enough, to take them?It was fascinating to get a peek into the 1990 Russia and all the political upheavals that rocked this country at this time. I simply couldn't put this book down!0 von 0 Kunden fanden die folgende Rezension hilfreich. Enjoyed it!Von LoveToRead*Struggling to Survive: A story of love, crime, and deception in the new Russia (Anya Series Book 2)* was gripping. I've read Book One in the Anya Series and this one did not disappoint. Set in Russia, this book is filled with history, crime, volatile struggles, and Anya's struggles, as she becomes a mature young widowed woman with a baby, Larisa. I'm not one to give out spoilers, so will just say this series is not one to be missed if you enjoy historical romance and a wonderfully woven story.Five stars to author Julia Gousseva.

KurzbeschreibungMOSCOW, RUSSIA, 1990sStill shaken by her husband's tragic death in a submarine accident, Anya returns to Moscow, hoping that the familiar environment and Babushkaa love will help her overcome grief. But nothing about Moscow is familiar to Anya. Drastic social and political changes had occurred while she was away, and Russia seems like a foreign country to Anya. Gone is the old Soviet life, drab but comfortable, with its dimly-lit streets, state-sponsored stores, and hand-me-downs clothes. Now, life is all about glitter, glamour, and money. Anya feels out of place and desperately poor. She turns to her best friend Katia for help, willing to do anything and try anything to provide for her baby daughter. Katia's ideas sound drastic and, at first, Anya is hesitant to take Katia's advice but her options are severely limited. Without a stable income or hope for a better future, Anya is forced to make choices that are becoming more and more dangerous. And then, the unexpected happens.KurzbeschreibungMOSCOW, RUSSIA, 1990sStill shaken by her husband's tragic death in a submarine accident, Anya returns to Moscow, hoping that the familiar environment and Babushkaa love will help her overcome grief.
