Von Ross Petras, Kathryn Petras : Stupid Sex before purchasing it in order to gauge whether or not it would be worth my time, and all praised Stupid Sex:

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Funny stories but mostly urban legends. Von Ein Kunde The stories are pretty amusing and make for good party conversation. The only problem is that half the stories aren't true. They're urban legends. Gerbiling, condom inspectors, etc. told as true but all exposed as hoaxes in the mainstream media. The stories that are true contain "extra details" not included in the original reports and clearly invented by the authors for effect. If you read it as a joke book, you'll enjoy it greatly, but if you're looking for TRUE stories, look elsewhere. Check out Jan Brunvand's urban legend books at for detailed studies on some of the urban legends. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Extremely funny Von Veronica I saw the Stupid Sex web site first, then had to read the book and I'm glad I did. I couldn't stop laughing. This is extremely funny, there are stories from all over the place about the most humorous sexual activities you can imagine. It's best read in bits and pieces, not in one reading. But it will definitely get you to laugh a lot! All I know is that I'm glad I never tried the things in here. Well, if I did, I wouldn't let anyone know. 0 von 0 Kunden fanden die folgende Rezension hilfreich. I Couldn't Stop Laughing!!!!!! Von Ein Kunde I LOVED this book! It was THE talk of the office for a week straight!! Even the boss laughed!! We got more fun from that book than from anything we've seen in ages. This has to be a regular thing like their "Stupidist" books and calendars which we simply can't do

without!! Who ARE these nuts anyway? We LOVE 'em!

Kurzbeschreibung A mother, answering her phone, hears her daughter shrieking and screaming. Terrified, she calls the police who arrive at the daughter's house, batter down the door--and find the daughter, nude, in her bedroom having sex with her boyfriend. Apparently her toe hit the automatic dial button for her mother's number on the bedroom phone. A man, swimming in a Florida pool, sees the pool intake pipe and gets a unique idea. Hours later, after police, firemen, and EMT personnel are called, the man is taken to an area hospital--along with ten feet of pipe attached to a very swollen part of his anatomy. A newly married couple in Turin set up a video camera in their bedroom to tape all of their honeymoon activities. But somehow certain crucial wires got crossed. While they were enjoying their honeymoon sex, so was everyone else in their apartment building: the couple had accidentally connected their camera to the building's cable television system. In the national bestseller *The 776 Stupidest Things Ever Said* Ross and Kathryn Petras immortalized idiotic utterances by public figures and average citizens alike. *The 176 Stupidest Things Ever Done* chronicled fiascoes, senseless stunts, and utterly asinine activities from around the globe. Now, *Stupid Sex* takes on the subject that no one can resist. It's about people who get caught in the act . . . and about people who get caught in the trash disposal. *Stupid Sex* tells two hundred true stories of extremely dumb (and very funny) sex acts arranged under headings ranging from *Airplane Sex* to *Zoo Bathroom Sex*. From the Trade Paperback edition..de This alphabetical compendium of carnal catastrophes is enough to make anyone consider celibacy. Kathryn and Ross Petras, the authors of *The 776 Stupidest Things Ever Said*, prove that all kinds of things can and will go wrong when people start to think with their reproductive organs. Hundreds of furious moviegoers trashed a local movie theater in Rio de Janeiro, Brazil. The movie they had paid to see--*Furious Copulation*--was not what the title suggested. Instead, it showed a man chasing a chicken. The owner promised to change the title on the marquee to *The Pervert's Express*. From the India-South Korea condom conflict, to a woman with a remarkable way of playing the flute, everything that can go wrong does go wrong. Some of these stories are not for the squeamish, but they provide a hilarious picture of the lengths to which some people will go for a thrill. Remember kids, don't try any of this at home. --Simon Leake.com This alphabetical compendium of carnal catastrophes is enough to make anyone consider celibacy.
