Kurzbeschreibung
A fragmented soul
Cursed to bear the sins of any he touches, Gabriel has experienced things no man should ever live with. With each death a piece of his black soul is left in the underworld, slowly killing the faint remnants of his humanity. With his poison skin, love is impossible at least it was until Elle forced her way into his life. A timeless dream
To have her chance to love her soul mate, Elle gave up everything. When she made her pact with the devil she never thought it would take over two hundred years to meet the only one who could save her from a seers inevitable fate. A love strong enough to change the world.
Despite trying everything to keep her at arms length, Elle creeps into Gabriel's heart. Soon he will do anything to keep her but when the fate of the world hangs in the balance will he be able to save the love he never wanted or will the heavens tear them apart?
