Was passiert zu einem Dom, der erblindet?Von C.M.Adam Kent ist ein Dom, sexuell sehr aktiv, Autor politisch/historischer Bcher und dann erkrankt er schwer und verliert sein Augelicht.Eine Katastrophe, denn wer hat je

von einem Dom gehrt, der blind ist?Schwer depressiv igelt er sich auf den alten Familiensitz ein und lsst keinen mehr an sich ran. Seine Schwester, zu der er kein gutes Verhlnis hat, schickt ihm immer wieder einen neuen Angestellten, der sich um ihn kmmern soll, aber bisher hat er noch alle mit seinen scheinbaren Launen in die Flucht geschlagen, bis zu dem Tag, als Paul auf der Schwelle steht. Eingestellt wurde er von der Schwester als persnllicher Assistent Adams und in seinem Vertrag steht, dass er auch in diesem Haus zu leben hat. Aber Adam tut erstmal nur sein Bestes um auch Paul aus dem Haus zu kriegen - zwecklos denn Paul sieht wie sehr sich Adam qult und will ihm helfen, ob er will oder nicht. Und Adam will nun mal nicht, so dauert es lange bis die beiden sich endlich nher kommen.0 von 0 Kunden fanden die folgende Rezension hilfreich. WonderfulVon TMPaul applies to work as a live-in companion to Adam xxx, an author of political books who has recently gone blind. When he arrives at the mansion that is Adams home he learns that none of his predecessors has managed to keep the job for longer than a few weeks and that Adam is far from accepting that he is blind instead shutting himself away from the world, rarely venturing out of the library and fighting against everything, Adam is far from ready to move on. Paul is determined to keep his job and to help a man he feels needs him despite Adams cold and mean behavior to anyone who tries to get close to him. But Paul is not prepared for his feelings when he sorts through Adams moving boxes and finds a large array BDSM gear.I always enjoy KC Wells books but this was the first Island Tales book Ive read. I loved it. I liked Paul and Adam, so well written and such different and interesting characters. I liked Adams slow change when he realized his life wasnt over. Paul is a lovely character who sincerely wants Adam to get better but at the same time struggles with his own dark side, an attraction to BDSM he hasnt accepted yet.I understand some of Pauls friends are characters from the first books (which I one-clicked immediately) but this book can be read as a standalone.Totally recommend this book.

KurzbeschreibungThree weeks after being diagnosed with acute glaucoma, Adam Kent lost his vision. Two months down the line, and hes left behind his life in London as an author of political history books and retreated to the Isle of Wight, to live in the house he inherited in Steephill Cove. But thats not all Adams left behind him: the trappings of his life as a Dom are packed away into three boxes and stored in his attic. After all, hes never going to need them again, right? Whod want a blind Dom anyway?Paul Vaughan is employed to be a live-in companion to Adam, but his new employer makes it very clear he wants to be left alone. Paul can see Adam is hurting and struggles to help him, even though Adam resists him at every turn. Thankfully, Pauls friends Taylor, Mark and Sam are there to lend an ear when he needs to vent and also to try setting him up with a guy or two. Its not that Paul doesnt appreciate their efforts, but the guys they keep sending his way are way too vanilla. A chance visit to a club had already shown Paul a side to him hed never expected: maybe his tastes are a little kinkier.Two events occur to rock Pauls life: he discovers his boss isnt as straight as Paul had thought, and he takes a peek into a box. 97,267 words. Contains a mild BDSM scene

18+ber den Autor und weitere MitwirkendeBorn and raised in the north-west of England, K.C. WELLS always loved writing. Words were important. Full stop. However, when childhood gave way to adulthood, the writing ceased, as life got in the way. K.C. discovered erotic fiction in 2009, when the purchase of a mnage storyline led to the startling discovery that reading about men in love was damn hot. In 2012, arriving at a really low point in life led to the desperate need to do something creative. An even bigger discovery waited in the wingswriting about men in love was even hotter. K.C. now writes full-time and is loving every minute of her new career. The laptop still has no idea of what hit it it only knows that it wants a rest, please. And it now has to get used to the idea that where K.C goes, it goes. And as for those men in love that she writes about? The list of stories just waiting to be written is getting longer and longer. K.C. loves to hear from readers. E-mail: k.c.wells@btinternet.com Facebook: <https://www.facebook.com/KCWellsWorld> Twitter: @K_C_Wells Website: <http://www.kcwellsworld.com>
