Atemberaubend, erotisch und mit TiefgangVon Ein Kunde"Substitute for Love" ist eines der besten Bcher von Karin Kallmaker! Dieses Buch zeichnen besonders die berzeugenden charaktere und die prickelnde erotik aus. Die Hintergrnde/ Lebensgeschichten der beiden Protagonistinnen werden in mehreren Zeitsprngen offenbart, so dass ihre beweggrnde klar werden und man die beiden zu kennen glaubt und mit ihnen mitfiebert.Zum Inhalt:In der Jetzt-Zeit

treffen sich holly und reyna in einer Lesbenbar und haben fantastischen -sehr erotisch geschilderten- sex. Aber fr reyna kann es nicht mehr geben, obwohl sie sich beide ineinander verliebt haben, denn sie lebt ein leben,ber das sie ncht selbst bestimmen kann und ihre ausflge in die freiheit sind heimlich. Holly, fr die reyna die erste frau ist, da sie bis vor kurzem noch in einer ungleichen beziehung mit einem mann war, der sie bevormundete, will das geheimnis um die mysterise reyna lften. Doch erst als die beiden unerwartete hilfe von auen erhalten, beginnt holly zu verstehen Insgesamt ist dieses buch einfach wunderschn, zum mitleiden, mitfiebern und mtfreuen, absolut lesenswert!0 von 0 Kunden fanden die folgende Rezension hilfreich. one of Kallmaker's best booksVon BenGunEven for a straight male reader it is a very interesting book, since it also opens a view into the social and political environment of conservatives in the US. Particularly interesting for a European reader. What I like particularly about Kallmaker is that her characters always have their own lives; it is not just about sex. Also the sex scenes are never rude, but pleasantly to read.

KurzbeschreibungLike most women in dead-end relationships, Holly Markham was used to finding substitutes for love. Like chocolate. Fun times with good friends. Throwing herself into her work as a mathematician. But throwing herself into the arms of a leather-clad stranger was never on her list. Even when she does exactly that, she's stunned when the other woman tells her there can be no repeats, no contact, never again.Reyna Putnam has lived by the rules of her politically ambitious father for years. Increasingly anguished by the work she does at his behest, trysts with women like Holly are all that keep her sane. She tries to banish the memory of Holly as she has so many other women because nothing has changed. She's trapped in a cage not of her own making. Holly has no intention of living in the shadows, and sets out to uncover the secrets of her own past hoping they will lead her back to the mysterious Reyna and some kind of future.The first of Karin Kallmaker's many Lambda Literary award finalists, Substitute for Love is a powerfully sensuous exploration of love in its many forms. Fans of this book will not want to miss the short story in Frosting on the Cake 2: Second Helpings.KurzbeschreibungLike most women in dead-end relationships, Holly Markham was used to finding substitutes for love.
