Von Richelle Mead : Succubus Shadows (Georgina Kincaid) before purchasing it in order to gage whether or not it would be worth my time, and all praised Succubus Shadows (Georgina Kincaid):

soon as I could. I was so not disappointed. Succubus Shadows is a great addition to this series and it was a fun and emotional read for me. I think I fell in love with Seth the moment Georgina did in book 1 and like her I just can't give him up. The book starts where we last left our favorite succubus and everything is the same: She still knows how to get into trouble. She's a real master in that. It's hard to review this book because I don't want to give you any spoilers if you haven't read the previous ones so I will just talk about my impressions now. This book made me feel like a really bad person from time to time. It's hard not to feel bad if you understand a succubus and her decisions in life. Ms. Mead is really good in making you feel for her heroines even if they do something bad. Succubus Shadows also made me cry because of the unfairness of life in general. My heart really hurt while reading this book. It was so wonderfully written that it touched my heart from the start. I knew it would make me cry but I just couldn't stop. Do you know that feeling when you know something will hurt you but you want it nonetheless? That's what I feel like while reading a book in this series. The whole setting is a mess and the only thing I really want is a HEA for Georgina. I want it with all my heart and I so hope she gets it in the next book. This book is a must read in this genre like all the Georgina Kincaid series. Recommended to all who love Paranormal Romance. 1 von 1 Kunden fanden die folgende Rezension hilfreich. Naja... Von zonebloem12 Ich habe die ganze Succubus-Serie gelesen und fand diesen Band entschieden am langweiligsten. Der Mittelteil war meiner Meinung nach recht de, der Schluss etwas zu kitschig. Georgina hatte mal mehr Pepp, jetzt ist sie nur noch deprimiert oder schwärmt von ihrem Seth (dabei ist Roman viel interessanter...). Ich glaube bereits zu wissen, wie die Serie ausgeht und hoffe trotzdem noch, überrascht zu werden. 0 von 0 Kunden fanden die folgende Rezension hilfreich. 4,5 stars Von Customer Still a pretty good read. I can't wait for the delivery to arrive to read how the story will end.

Kurzbeschreibung Georgina Kincaid has formidable powers. Immortality, seduction, shape-shifting into any human form she desires, walking in heels that would cripple mere mortals—all child's play to a succubus like her. Helping to plan her ex-boyfriend's wedding is a different story. Georgina isn't sure which is worse: that Seth is marrying another woman, or that Georgina has to run all over Seattle trying on bridesmaid dresses. Still, there are distractions. Georgina's roommate, Roman, is cluttering her apartment with sexual tension. Then there's Simone, the new succubus in town, whose intent is on corrupting Seth. But the real danger lies in the mysterious force that's visiting her thoughts, trying to draw her into a dark, otherworldly realm. Sooner or later, Georgina knows she'll be too weak to resist. And when that happens, she'll discover who she can trust, who she can't, and that Hell is far from the worst place to spend eternity. Praise for Richelle Mead and her Succubus series. . . "This is one of those series I'm going to keep following." --Jim Butcher, New York Times bestselling author "The mix of supernatural mystery, romance, and reluctant succubus is great fun." --Locus "Mead cooks up an appetizing debut that blends romantic suspense with a fresh twist on the paranormal." Booklist "Pressesstimmen" "Skillfully handled... a pacy read worth getting immersed in" (Pauline Morgan SF Crowsnest) **Werbetext** The clothes-obsessed, shape-shifting succubus, Georgina Kincaid, is back in the sexy new supernatural adventure from the bestselling author of the Vampire Academy series.
