Von Rohinton Mistry : Such a Long Journey (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Such a Long Journey (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen3 von 3 Kunden fanden die folgende Rezension hilfreich. Mistry Creates Realistic, Compelling CharactersVon SamiraThe characters in this novel are so realistic and captivating, you will feel to compelled follow their daily lives in this excellent, heart-warming story. Mistry provides insight into the

thoughts and actions of a middle-class,hard-working Indian family man with such depth, and the descriptions of the settings are so accurate and detailed. Every character, minor or major, has a story of their own and we see both sides of each conflict. Truly a must-read.0 von 5 Kunden fanden die folgende Rezension hilfreich. Two Thumbs down!Von Ein KundeThis novel was not only disgusting but it provokes feelings of hostility between Indians and Pakistanis. Writers should work to clear up any misunderstandings to make the situation better. Instead this author attempts to make the matters worse. By using abusive language for Pakistanis, Mistry has shown his narrow-mindedness. It is amazing how all the education the writer had have, made no difference to his prejudised mind.0 von 1 Kunden fanden die folgende Rezension hilfreich. excellent unbeatable by anystandards.Von Ein Kundea must have in your library collection

KurzbeschreibungSuch a Long Journey is set in (what was then) Bombay against the backdrop of war in the Indian subcontinent and the birth of Bangladesh, telling the story of the peculiar way in which the conflict impinges on the lives of Gustad Noble, an ordinary man, and his family.It was the brilliant first novel by one of the most remarkable writers to have emerged from the Indian literary tradition in many years. It was shortlisted for the 1991 Booker Prize, and won the 1992 Commonwealth Writers Prize..deMistry does something that only the really natural writers can do: without apparent effort, manipulation or contrivance, he creates characters you like instantly and will gladly follow for as long as the novel leads. The book is about an Indian family during the years of Indira Ganhdi's rule; it's also a study of the times, its politics and corruption, and was especially interesting for me, who knows so little about life in the rest of the world. It had to be a good book: after I read Such a Long Journey, I wanted to go right out and buy a plane ticket and see India for myself..co.ukMistry does something that only the really natural writers can do: without apparent effort, manipulation or contrivance, he creates characters you like instantly and will gladly follow for as long as the novel leads. The book is about an Indian family during the years of Indira Ghandi's rule; it's also a study of the times, its politics and corruption, and was especially interesting for me, knowing so little about life in the rest of the world.
