folgende Rezension hilfreich. nice fun and fluffy. Von Amber After my eyes adjusted to the blinding colour on the cover of this book, I managed to read this 4th part in the 'Tales of Vegas Vampires' series. Fluffy, fun and easy to read this was just like the other 3 books before it but with different characters taking the lead. It was nice to see how the other characters from the previous books were doing and it was nice to meet some new characters too. I did chuckle a few times, especially when Gwenna was drunk! This had a nice storyline that kept me interested till the end but I also felt like throwing up a bit when the sex parts started. Not a bad read this is a blend of Chick-lit, Romance Paranormal. So if you like at least one or 2 of these genres you may like this book and the others in the series.

Kurzbeschreibung The national bestselling author of Bled Dry returns to vampire-filled Las Vegas! A night of indulgence can feel like an eternity. Gwenna Carrick has a history-900 years of it. As the vampiress ex-wife of the notorious vampire Roberto Donatelli, she must keep a low profile. Not easy when you're bathed in the neon glow of Las Vegas-especially when there's a whole online group of vampire slayers bent on dealing you your last hand. A wild night with a stranger was not in the cards for Gwenna. But that's what happened when she met the ruggedly handsome detective Nate Thomas. Their passion made her feel alive again. But when Donatelli catches wind of the tryst, he's determined to clean house, with Nate the first on his to-off list. Gwenna knows she hit the jackpot with Nate and won't let anyone stand in the way. But both soon realize they have far more enemies than Donatelli- both on the strip and underground. From Publishers Weekly The fourth installment of McCarthy's toothsome Vegas Vampire series (following Bled Dry) finds sexy Gwenna Carrick, a 900-year-old vampire, living at the casino owned by her brother, Ethan Carrick, the current president of the Vampire Nation. She meets Metro police detective Nate Thomas at a crime scene and offers her help in cracking a case involving an Internet vampire slayers group. Nate is grieving over the death of his sister, and Gwenna has been divorced from Vampire Nation vice president Roberto Donatelli for 300 celibate years. Sparks flare into true love very quickly inflaming Gwenna's jealous ex-husband, who quickly orders a hit on Nate. Worse challenges await the lovers, as McCarthy delivers her latest with fang-in-cheek flair. (Jan.) Copyright Reed Business Information, a division of Reed Elsevier Inc.
