Von Kim Law : Sugar Springs (A Sugar Springs Novel Book 1) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Sugar Springs (A Sugar Springs Novel Book 1) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Great ReadVon ClaudiHI read this book in one go and will definitely read the next one in the series. Nicely developed characters, supporting characters are also well written, kind of a different story to your usual chick lit, almost all charactes are likeable, and it's not some far-fetched unbelievable story line. You really want to know how the story is

going to develop. I found this book also to be very well edited, which isn't a given with most ebooks. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Sehr schnes Buch, zu empfehlen! Von Elena MoorGut geschrieben, ist natrlich ein Frauenroman, aber meiner Meinung nach mit einer guten Story und guten Charakteren, nicht der typische Kitsch. Man fhlt mit und wnscht sich natrlich ein happy end - und wird nicht enttuscht.

Kurzbeschreibung 2013 RITA Finalist for Best Contemporary Single Title Romance Lee Ann London once had big plans scholarship, college, love. Then she found herself raising her deceased sisters twin girls when their father disappeared. Now, with her beautiful girls, a community that depends on her, and her photography studio finally taking off, Lee Ann may not have the life shed imagined, but its definitely where she wants it. Until Cody, her bad-boy ex, returns to Sugar Springs Codys childhood put a chip on his shoulder the size of Texas. Bouncing around the foster care system, he was always the one to leave before anyone left him first. Then he found a place he wanted to stick. Lee Ann was the best thing that ever happened to him. Only, he hurt her. Bad. Hes back now, and determined to earn her forgiveness and maybe win back her love while hes at it.

ber den Autor und weitere Mitwirkende Kim Law wrote her first story, The Gigantic Talking Raisin, in elementary school. Although it was never published, it was enough to whet her appetite for a career in writing. First, however, she would try her hand at a few other passions: baton twirling, softball, and music, to name a few. Voted Bookworm and Most Likely to Succeed in high school, she went on to earn a college degree in mathematics. Law spent years working as a computer programmer and raising her son, and she now devotes her time and energy to writing romance novels (none of which feature talking raisins). She is a past winner of the Romance Writers of Americas Golden Heart Award and currently serves as president for her local RWA chapter. A native of Kentucky, she lives with her husband in Middle Tennessee.
