Bosch - always worth reading, ...Von Miki101.Micha ... also if the first two stories of this collection seem to be written as some kind of first or max second draft, to be - maybe - elaborated later...I like Michael Connelly and the way he writes and I love Harry Bosch, and so I would buy also a shopping list of those two long-time friends of mine. But this time, because of some missing pieces, only a 4-star rating. In SUICIDE RUN I had the feeling that the story came absolutely to an much too abrupt end...There was far more potential in the story than has been utilised by the author. Hollywood, a young, very beautiful "Marylin Monroe" - called like that because of the way she - apperently - chose her exit out, the search for similar cases - there should have been more. But it's an easy read and got my interest. The second one CIELO AZUL is the one that has a more of humaneness inside than the usual crime short stories...Harry Bosch drives up to St. Quentin to ask a killer awaiting to meet the Needle ONE question - only that a killer is always a killer for some reason. And that a man of his kind hasn't one shred of humanity left in his flesh, blood and bones. A very gripping but sad, sad read. The third story is the longest of the three and also the most elaborated. In ONE DOLLAR JACKPOT Harry Bosch has to find the killer of a beautiful poker player, shot dead without even register that fact. And there will be our hero Harry who has learned a trick or two from his now estranged ex-wife - and that will nail a killer for good! I am not too angry about the excerpt of The Drop (A Harry Bosch Novel), I have read it and the latest The Black Box (A Harry Bosch Novel), too. Try also the collection Angle of Investigation: Three Harry Bosch Short Stories - a full 5-star read!

Kurzbeschreibung LAPD Detective Harry Bosch as we've never seen him before, in an exclusive eBook containing three compelling short stories In SUICIDE RUN, the apparent suicide of a beautiful young starlet turns out to be much more sinister than it seems. In CIELO AZUL, Bosch is haunted by a long-ago closed case - the murder of a teenage girl who was never identified. As her killer sits on death row, Bosch tries one last time to get the answers he has sought for years. In ONE DOLLAR JACKPOT, Bosch works the murder of a professional poker player whose skills have made her more than one enemy. Whether investigating a cold case or fresh blood, Bosch relentlessly pursues his quarry, always on the lookout for the "tell". In this first collection of Harry Bosch stories, Michael Connelly once again demonstrates that he is 'the greatest living American crime writer' (MIRROR).
