musste. Um das Vertrauen ihrer Arbeiter zu erringen, gibt sie vor verheiratet zu sein. Dazu benutzt sie den Ehering ihrer lange verstorbenen Mutter. Als sie auf der Ranch ankommt, verliebt sie sich in ihren Vormann Nick, der die Gefühle erwidert. Als Ehrenmann kann er keine verheiratete Frau verführen, auch wenn diese offensichtlich den Vornamen Ihres Angetrauten nicht weiß. Oder hat dieser Unbekannte 3 Vornamen? Die Weihnachtszeit kommt näher, die Versuchung wird immer größer, daher glaubt Nick, dass er weggehen muss, um seine Ehre nicht zu verlieren. Diese Kurzgeschichte ist gut und flüssig geschrieben, die Entwicklung der Charaktere ausreichend, das Ende vorhersehbar. Gesamt gesehen eine wunderschöne Weihnachtsgeschichte, die ich allen empfehlen kann, die gerne ein bisschen Kitsch mit Happy End haben.

Kurzbeschreibung When Connie's father dies and leaves the ranch in her hands, she knows that she has her work cut out for her. Not in running the ranch; no, she can handle that without a problem. But how is she going to convince her father's men to follow her orders, when she appears to be just a young society miss? But what if she was married to some gent back in St. Louis? That would make her seem more capable, wouldn't it? Thus begins her scheme; she pops on her mother's wedding band, makes up a name or two for her mythical husband, and sets out to run Sullivan's Ridge. But when she meets the ranch foreman, dreamy Nick Anderson, she begins to suspect that she's made a big mistake. As the two help each other through their mutual loss by embracing the healing magic of the Christmas season, Connie's husband stands between them. Can she manage to come clean, to confess that the rings are a lie, before their passion boils over? Or worse, before his sense of honor drives Nick away forever?
