Von Michele Ashman Bell : Summer in Paris (English Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Summer in Paris (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Courtesy of Teens Read Too Von TeensReadToo I really loved this book. I couldn't wait each day to read it. Kenzie is a spoiled, entitled teen living in New York City. She comes home one day to find that her dad has to declare bankruptcy, her parents are separating, and she has to go spend that summer in Paris, Idaho, with her aunt and uncle. She can't believe

that she has to live in Hickville. When she gets to Paris, she resists any kindness that is offered her, but when she goes out with her cousin and a near tragedy happens, her heart starts melting. She meets a mystery man, opens her eyes to how beautiful her aunt's and uncle's marriage is, and how life in a small town can be fulfilling. I liked the character of Kenzie. Many times we expect big city girls to be the ones without morals, to be fast and loose. However, it is opposite in this story and that is refreshing. Kenzie isn't a goody goody, but she certainly has lines that she won't cross. She finds value in hard work, which I believe many young people today don't value. She discovers that she likes to work hard and that her self-esteem is much higher when she puts a lot of effort into what she does. SUMMER IN PARIS isn't all about morals, though - it also has romance, fun times, family, and the simple life wrapped up in its pages. I think most girls will enjoy reading this wonderful book. Reviewed by: Marta Morrison

Kurzbeschreibung Kenzie Williams feels like she has it all; wealth, friends, popularity and talent. But when her father tells her that he has declared bankruptcy, her whole world in New York City turns upside down. Her parents' solution while they sort through their financial and marital problems is to send Kenzie to live with her relatives in Paris . . . Idaho! Feeling like she's been sentenced to three months in Hickville Prison, Kenzie arrives in Idaho feeling like a square peg, with name brand clothes, in a round, horribly podunk, hole. Leaving everything she loves behind, Kenzie is forced to get up at the crack of dawn, do chores, and hang out with her cousin's loser friends. She feels like she's about to die until she meets Adam White, the town outcast, whose been accused of killing his best friend and is being blamed for some trouble that's been happening around town. Not only is Adam the best-looking guy she's ever seen, but he's also the most fascinating guy she's ever met and Kenzie is determined to get to know him and find out his secret. But, the longer she stays in Paris, the more she realizes, Adam isn't the only one keeping secrets.
